Annual prepaid gives about two months' benefit. Project and specialist work is scoped separately.

You Will Never Receive a Surprise Invoice.

What happens as your monthly capacity is consumed - agreed in advance, in writing.

USAGE OF AGREED MONTHLY CAPACITY

WITHIN CAPACITY	APPROACHING	BEYOND - YOUR CALL
-----------------	-------------	--------------------

Reported to you every month: hours used, work delivered, what is still pending.

BEFORE THE LIMIT, NOT AFTER IT

- We flag it proactively - you are told before the limit
- We review the rest of the month's expected work with you
- Nothing proceeds beyond capacity without your written approval

THEN YOU CHOOSE ONE OF FOUR

- 1 Buy additional hours at your plan rate, this month only
- 2 Move up a plan if the higher volume is now permanent
- 3 Push lower-priority matters into next month's capacity
- 4 Take the item out of the retainer and quote it separately

Capacity is stated, measured and reported. Nothing is assumed.

Scope Boundaries, Stated Plainly

Three commercial principles, and the work that sits outside any retainer.

Capacity, not volume

A retainer reserves professional capacity - stated hours, measured and reported.

Scoped, then priced

Complex work is scoped before it is priced. No figure is quoted before the work is understood.

Costs passed through clean

Third-party costs are estimated up front, approved by you, and never marked up silently.

SEPARATELY SCOPED, NOT INSIDE A RETAINER

- Unlimited volume of work
- Guaranteed legal outcomes
- Retrospective backlog remediation
- Work outside the agreed scope

DELIVERED ONLY BY OTHERS, BY LAW OR PRACTICE

- Statutory audit and certificate issuance
- Court appearances (we brief and manage counsel)
- Payroll processing and accounting
- Third-party costs absorbed by us

Every one of these is still available - as separately scoped work, or coordinated on your behalf.

Certification is issued only by independent accredited bodies. Taxes additional as applicable.
